

Genetics Society of AustralAsia Ross Crozier Medal 2022 Awards Application Cover Sheet

The Ross Crozier Medal was established by the Genetics Society of AustralAsia to recognise outstanding contributions to the field of genetics research by mid-career Australasian scientists. The medal commemorates Ross Crozier, an Evolutionary Geneticist who was a past President and an avid lobbyist for the Society. The award is intended to assist the recipient in advancement of their career and will be awarded for work completed within the period five to 15 years from graduating with a PhD. Career interruptions (these may include parental leave, carer's leave, medical leave etc.) will be taken into account in exercising the 15 year limit. The award is normally made to one scientist at the Genetics Society of AustralAsia's annual meeting and is accepted by delivering the Ross Crozier Lecture at the meeting.

The award consists of:

- the Ross Crozier Medal
- the opportunity to present the Ross Crozier lecture at the conference
- registration fees to attend the conference, including a dinner ticket

Application information

Name of applicant	
Applicant email address	
Applicant phone number	
Do you wish the committee to consider career interruption(s)?	Yes / No
If yes, please provide a brief summary here or in an email or other attachment	

If you are submitting a nomination on behalf of someone else, please provide your (the nominator's) details below. If you are self-nominating, please leave this section blank. Note that both self-nominations and nominations on behalf of others are permitted and will be considered equally.

Name of nominator	
Nominator email address	
Nominator phone number	

Award checklist

The following documents should be included:

- applicant's CV
- a one-page summary of the applicant's most significant contributions to genetics

How to apply

Applications must be submitted by email by midnight (AEST) 15th May 2022 to GSA@asnevents.net.au with “Crozier Medal” in the subject line.
