

Genetics Society of AustralAsia Student Travel Awards 2025 Awards Application Cover Sheet

Applications for GSA Student Travel Awards are invited from science students completing their third year of undergraduate study at a tertiary institution. Applicants must be currently enrolled in an eligible degree and have completed at least one undergraduate course in Genetics. These awards provide the opportunity for students to attend the annual GSA Conference.

PhD/Masters/Honours students are not eligible for these awards. Further details about the conference, including program and invited speakers, can be found on the conference website:

<https://www.gsa-2025.com/>.

The award consists of:

- The full cost of student registration (including the welcome reception and dinner)
- One year of GSA membership

Students will need to make their own arrangements for travel and accommodation.
